

The Hindmarsh Hall

Equality and Diversity Policy

Equal Opportunities Statement of Intent

The Hindmarsh Hall acknowledges that the United Kingdom is diverse in culture, race, beliefs and religion and believes that no individual or group of people should receive less favourable treatment on the grounds of gender, age, colour, race, nationality, racial or national origins, cultural heritage, disability, marital status, social background, sexual orientation or geographical location. The trustees acknowledge that members of these groups are often under-represented, exposed to prejudice and stereotyping, and suffer various disadvantages within our society.

The purpose of this statement is to set out clearly and fully the positive action that The Hindmarsh Hall intends to take to combat direct and indirect discrimination in employment policy, management of the organisation, relationships with other bodies and the services it provides to the community, community organisations and individuals.

The Hindmarsh Hall is committed to providing equality of opportunity in all areas of its work. It aims to overcome discrimination on the grounds mentioned above. The Equal Opportunities Policy will be implemented ensuring equality of provision in representation, service provision, appoint of staff and their conditions of service and access.

Aims

Our aim is to ensure that we become aware of discrimination and the problem it causes.

The Hindmarsh Hall will challenge practices, legislation and institutions, which seek to discriminate against or deny the rights of individuals or groups in any form.

The Hindmarsh Hall will seek to take positive action to address the inequalities in our society.

The Hindmarsh Hall is committed to the equal opportunities set out in this document and will work to develop, improve and monitor it.

The Equal Opportunities Policy and Code of Practice

The Hindmarsh Hall acknowledges the definitions of various groups of people who are vulnerable to discrimination as set out in the Equality Act 2010. The trustees will support and implement the legislation and will work to ensure that no person, protected by the legislation, is discriminated against unlawfully, and that any positive obligations and duties are performed.

The trustees give the following specific commitments:

The Hindmarsh Hall will:

- Provide facilities for people with disabilities to enable them to participate in activities
- Ensure that the design of publicity and information take account of the needs of people with disabilities
- Deal with any complaints of discrimination promptly, impartially, thoroughly and confidentially
- Ensure all staff, hirers and trustees are aware of the Hall's policy on equality
