

# The Hindmarsh Hall

## April 2022 Update

### Lots has been happening...

Another busy few months in the Hall with us welcoming lots of new faces. Events have included a Cheese & wine evening 'Taking Northumberland by Storm' and Tin Shed Arts. We had live music with a Jazz evening and Martin Stephenson Goodwill Factory.

The White Gardenias kindly gave their proceeds to the Ukraine appeal (£615) and we also held a coffee morning raising a further £1,750 for the DEC appeal. Watch this space for more fundraising events.

We've added some new things to our regular groups and classes including Friday night Dance Club and a Sound Bath evening
